

Senior Photo Requirements for the 2012 Eatonian

All photos must be in color, vertical, and portrait style. Indoor/outdoor settings will be accepted. Full length photos and black and white photos will not be accepted.

Yearbook staff would prefer a digital copy of your portrait image. We will accept a printed copy but please understand that scanning a printed copy lowers the overall quality of the portrait once it's printed in the yearbook.

All digital portraits must have a resolution of 300 and a .jpg file extension.

Digital images will be accepted in the following ways:

- CD or DVD
- Flash Drive
- Email Attachment. Please email to:
eatonian@erpsk12.org

Senior Photos are due no later than March 29th 2012

Please contact Mr. Bogardus with questions or concerns.
